

## Points of Pride

East Meadow Council  
of Parent Teacher Associations

### Mission

The East Meadow Council of Parent Teacher Associations is a group of dedicated parents, teachers and administrators who share a common goal: to make our school district the best it can be for our children.

### District-wide Events

ACCESS - A committee which sponsors timely educational workshops relevant to the needs of our community.

Workshops for the 08/09 school year include:

- Getting to Know Your Child
- Healthy Nutrition on a Budget
- Partnership with SERCL - An Evening with Rick Lavoie

All workshops are open to the general public.

Founders Day – This event honors outstanding parents, teachers, administrators, community members and staff members who devote themselves to advocating on behalf of our children. Our goal at this annual event is to provide scholarships to our deserving graduating seniors from East Meadow and W.T. Clarke High Schools.
